This is an immaculate day charter motor yacht, family orientated, with lots of cool moving parts that, depending on your needs and weather conditions, will totally connect and open the snug enclosed saloon area with the outdoor seating area, turning her into a really, really nice open feeling boat. She features a fully opening hardtop roof, also a massive cockpit with a large L-shaped seating arrangement and a wet bar with barbecue. Only available for day charters, she is a powerful yacht that reaches 30+ knots speed, featuring A/C, Visual & Sound systems and a Jet Tender.
