The Pardo 43 ensures greater stability and smoothness in all sea conditions. Her walk around design provides more usable space and safety when having children onboard. She offers stunning features such as comfortable sunbathing areas at the back and in the foredeck, adjustables in a million ways; a double leaf table which folds out to sit 8 to 10 people around; and a hydraulic platform with a handy freshwater shower, perfect for rinsing off once you come out. Sun protection is provided with 2 carbon poles and a beautiful shade cloth that comes out covering the table and the beginning of the sun lounge. The interiors, thanks to the large hull volume and perfect headroom, are inviting, bright, comfortable and spacey.
